Clients - Nonprofit Partners Invitation Template (Generic)

Subject line: Help us support your nonprofit through Benevity

Hi {Nonprofit name},

We are reaching out because we use Benevity to power our giving and volunteering programs and we want to make sure your organization can take part in future opportunities. To do that, we invite you to register on the Benevity Causes Portal.

Why join Benevity?

Registering with Benevity puts your organization right where companies and employees are actively looking to give, volunteer, and support nonprofits making an impact. As a nonprofit, you can:

- **Increase your visibility** and get discovered by millions of people ready to give.
- **Receive donations and grants** through corporate giving campaigns, employee giving, matching gifts, payroll giving, rewards, and grants.
- **Recruit volunteers** through our global network of employees eager to give their time, both on site and virtually.

There is no cost to join Benevity. Registration is completely free and takes only a few minutes. For further guidance, refer to our eBook: How to Register Your Nonprofit on the Benevity Causes Portal or visit our Nonprofit Help Centre for more support.

Once you've completed the registration process, your organization will be ready for future engagement with us and with other companies using Benevity.

Thank you for the work you do. We look forward to staying connected through Benevity.

Best,

 Benevity, Inc. This document is proprietary and confidential to Benevity.
